

| | CRAVEN SYSTEM | Source A | Source B | Source C | Source D |
|----------|--------------------|----------|----------|----------|----------|
| C | Corroboration | | | | |
| R | Reputation | | | | |
| A | Ability to observe | | | | |
| V | Vested Interest | | | | |
| E | Expertise | | | | |
| N | Neutrality | | | | |

Activity: Use the CRAVEN system to assess the credibility of the four articles. Use a scoring system for each criterion e.g. 3 = Strong, 2 = Average, 1 = Weak

When you have completed the CRAVEN analysis assess the credibility of the sources by writing TRUE or FALSE above each article heading.
