

Omniscience and Free Will: 5 solutions

Leaving aside for one moment John Calvin's view that all is predestined – hence no free will – 5 possible solutions to this problem remain. Use the textbooks and your notes to produce a brief explanation of each theory and consider whether there may be strengths and weaknesses of the view

The classical solution of Boethius/Aquinas: the Timeless God.	The Everlasting God (see Romans 8:29)	The open future solution. (<i>Extending Middle Knowledge</i>)	The compatibilist solution. (<i>Free will means...</i>)	Process Theology (<i>denying omniscience</i>)
